

School Field Trip Opportunity

Rough Acres Bible Camp has reserved the Month of June to offer local schools an opportunity to use our waterfront and site for your school year end trips or school field trips. Included in this offer is:

Use of Fire Pits	playground
Volleyball court	Playing field
Waterfront; including use of canoes, kayaks, water trampoline	Personal floatation devices (must be worn)

We are please to offer special rates to school groups for overnight stays during this month. Please see our website for more information www.roughacres.org

There is a beautiful hiking trail (approximately 2km) at the nearby Barret Hat Mountain. This trail takes you along an old forestry road leading to a lookout point with fantastic views of the Telkwa Mountain Range and the Bulkley Valley. The entire hiking route should take about 45 minutes to an hour to complete. Proper hiking footwear is recommended as this is a challenging hike.

Rough Acres requires each group to provide their own lifeguard for the waterfront activities. A copy of the lifeguards NLS certification must be on file with RABC as the time of the event. Schools are also responsible for providing their own transportation and first aid, sports equipment and food and drink. We also require on adult chaperone for every eight children.

Use of our camp lodge is not included with school days (unless negotiated with our camp rental facilitator). We will make two restrooms available for change room/washroom purposes.

We provide a wonderful venue for your school groups to come and have a lot of outdoor fun and a great way to end your school year!

Cost: \$50.00 per day

For more information or to reserve your day please email Janice Hillaby at roughacres@roughacres.org
