## 2020: CAMP AT HOME

*Prepare your work outside; get everything ready for yourself in the field, and after that build your house. Proverbs 24:27 ESV*

This coming weekend was supposed to be our Spring Work Bee, where we would be preparing the camp for the arrival of our school groups and campers. Unfortunately, with the new restrictions in place we are unable to gather together to do this. Cancelling camp for the summer was a hard but essential decision. We knew there was no way to run a fun, effective week of camp while still maintaining physical distancing, and Dr Bonnie Henry confirmed this decision this past week.

This summer we are preparing our fields in a different way. We are hoping to connect and engage with our campers and camp families as well as past and future campers and staff. We believe that just because our building is closed, our ministry will not stop. And, when we are able to reopen our buildings again, our hope is that our time of preparing our fields will have been prosperous.

This week we launched our Countdown to Summer Weekly Camp Challenge on our camp Facebook and Instagram pages. It's a fun weekly challenge for our camp families, campers, staff and anyone else who wants to join us to have a little bit of fun as we finish off the school year.

Our first C2S challenge is to Build a Camp using whatever materials you have on hand whether it be LEGO, paper or even playdoh. All of our challenge participants will have until June 25th to post their challenge entries on our Facebook page or send a message through Facebook or Instagram. On June 26th we will draw some names from all entries to win some fun camp prizes.

Whether you have been to camp lately, or maybe not for many years, come join us for some fun as we Countdown to Summer!

Challenges will continue throughout the summer as well, so check our social media pages each week for what's new.

## Donation Support

As we are aligning our summer with the standards put in place by Dr. Bonnie Henry and our provincial government, we have had to cancel all camp sessions and rentals for the spring and summer. This has been quite a hit to our financial stability. Although we have cut back expenses for this coming summer, we are still in need of your support. If you are able and willing, would you please consider donating to Rough Acres Bible Camp's General Fund?

Your tax-deductible donation is eligible for a tax receipt for 2020. Donations can be made online through our website [www.roughacres.org](http://www.roughacres.org) or by filling out and mailing the donation form below with a cheque to our address below.

Thank you for your continued prayers and support for Rough Acres Bible Camp.

With gratitude,  
Robyn Johnson  
Executive Director
