

April Update 2022

There was a group of people at the camp two weeks ago replacing the old light fixtures with new LED lights in the upstairs of the main lodge including the kitchen and dining hall. This work will save the camp money and make it brighter!

LED light bars throughout the kitchen

April Update 2022

Rough Acres is currently without both a Caretaker and Executive Director and this is restricting us in planning events with the recent lowering of restrictions. While a full summer program is not in the plan for this year, we are hoping to be able to offer some family camp opportunities in the summer.

Currently Searching For:

- Someone willing to be at camp during rentals to serve as Caretaker.
- Full Time Caretaker to live at camp and look after the buildings/grounds.
- Rentals Coordinator to be a contact person for people wanting to rent out the camp.

Please contact your Rough Acres church rep. or Sarena Wiebe at 250-638-8323 and continue to pray that God will sustain the camp and provide people to serve and volunteer at camp. You can support the camp financially online at roughacres.org or via cheque sent to PO Box 5241 Smithers, BC V0J
